RE: FEC Letter of July 3, 2007

Nelson 2012
C00432401

Dear Ms. Palmer:

Your letter of July 3, 2007 requests that we amend our April Quarterly Report because all transfers from line 12 of the Detailed Summary Page must be itemized on Schedule A. Attached please find copies of page 3 of the Detailed Summary Page and page 18 of Schedule A. I believe that these pages, which were part of our original report, comply with your request, thereby making an additional amendment unnecessary.

If you have any further questions, please do not hesitate to contact me.

Sincerely,

Susan Landow
Treasurer
